Website proposal

María Angélica Rodríguez Coto

Full Stack Developer

It is my pleasure to contact you and present this proposal for the development of an interactive and professional website. As a Full Stack Developer with experience in modern technologies (React, Node.js, Python, Java), I offer complete web solutions that adapt to the needs of your business.

I am 100% responsible for updating and displaying the website (www) in order to maintain control of the website.

If you like, you can see some of the work I do in my portfolio https://angelicarodriguez.vercel.app/

Any questions, please feel free to ask.

María Angélica Rodríguez Coto

Important Notes

1. The domain is paid once a year, and if the proposal is accepted, it is free for the first time.
2. To start developing the website, 50% must be deposited into the suggested bank account, and the other 50% must be paid upon delivery of the website.
3. The website has basic web accessibility according to WCAG standards.
4. Future updates to the website will be charged separately.
5. Estimated development time: 10-12 weeks from contract confirmation.
6. Three rounds of revisions are included. Additional revisions cost ₡25,000 each.
7. The site includes basic training for control panel administration.
8. All customer and transaction data will be protected in accordance with data protection regulations.
9. Technical support is provided for 3 months after delivery.
